Highlights

The district has continued its efforts to improve instruction and curriculum to positively impact academic progress. Out recent 1st grade IRI results showed 95% reading at or above grade level. Although not reaching AYP, our test scores show a continual climb toward those goals.

Our dropout rate has steadily improved under the current administration, moving from double digits to a single digit this year. A new prospective in our counseling department and the addition of 9th grade transitional classes, ISAT review classes and credit retrieval classes have played a major role in reducing the dropout rate. By the end of next year, the district will have a K-12 Curriculum Guide for all subjects aligned both by grade level and state standards.

Progress Towards Meeting Goals

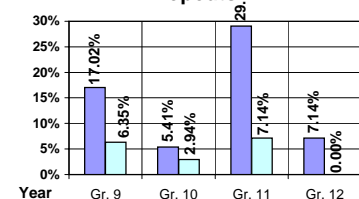

2005-06 Goals	Progress
Design instructional strategies to improve AYP.	Added ISAT review, transitional and credit retrieval classes.
Realign curriculum to revised state standards.	Subject matter teams are aligning standards and grade level material.
Continue efforts to reduce dropout rate.	Developed four year plan with consistent monitoring.
Continue diversity training for staff.	Use orientation and collaboration days for staff development.
